# IT'S...WHAT??

Once upon a time there were the Chicago Theatre Access Auditions (CTAAs).  
Still upon a time there is The Chicago Inclusion Project (TCIP).

And NOW! The two have come together to provide a new and improved version of the CTAAs and are beyond excited for what's to come! Introducing, for the first time ever:

## **THE CHICAGO INCLUSION AUDITIONS!! (TCIAs)**

The name has changed. A few faces are different. The goal remains the same: hosting a one-of-a-kind day filled with fun, community bonding, delicious snacks, and the incredible talent that only Chicago can provide.

This by-application, one-day event will give 150+ Chicagoland actors the opportunity to audition for multiple Equity and select Non-Equity theaters, casting directors, and agents.

Our revised team is working with our hearts to create an experience that is well organized, feels safe, is inclusive, and, as important as anything, FUN! To help make all those desires real, we need your help!

# BE A SPONSOR, PLEASE?

Like so many things post-pandemic, the financial needs for these auditions have changed. Expectations around volunteerism have changed. The cost of goods and services have changed.

In order to meet the moment and allow us to model behavior for which we advocate, we must raise funds. We know we can provide a stellar experience for everyone involved with support from organizations and members of our community. Organizations like yours. Members like you.

With your support, TCIA will be able to:

- Keep the auditions free to all actors
- Compile & provide complete actor details to all casting attendees
- Provide virtual access for any participant in need
- Have refreshments and cater lunch for all casting attendees and staff
- Fairly compensate those who were willing to volunteer to make this happen
